The successful candidate will manage all finances, payroll, and will lead and develop an internal team to support the following areas: maintenance, Faith Based Housing, and the bC Coffee shop. The Director of Finance and Administration will play a critical role partnering with leadership in strategic decision making and operations as the Newman Center continues to enhance its faith-based programming and build our capacity to serve the student body of NDSU and the tri-college community. This is a tremendous opportunity for a finance and operations leader to maximize and strengthen the internal structure of a well-respected, high impact faith-based organization.
